## **CONGRATULATIONS!**

Congratulations on your forthcoming wedding and many thanks for your enquiry.

## **WHO ARE WE?**

Encore is a Midlands-based, live-music agency, working with some of the most exciting young professional musicians in the region.

We specialise in providing classical and jazz musicians for weddings and civil ceremonies across the region. All our musicians are recent graduates from the country's leading conservatoires and universities so, whether you're looking to create an elegant atmosphere or get your party going with a swing, our talented performers are sure to set the right tone.

## **CREATING YOUR SPECIAL DAY**

We work closely with every couple to create a bespoke musical programme. The most important thing to remember is that it's your day, so if there's a particular piece of music you'd like to be played, we'll do our very best to provide it!

Equally, if you're not sure precisely what you're looking for, just get in touch and we can chat through a few ideas and arrange for you to meet our musicians.

## **SOME IDEAS TO CONSIDER...**

We can supply musicians to perform at any time during your celebrations but here are some ideas to get you started:

- Entertaining your guests before the ceremony
  - The Bride's arrival
- During the signing of the register
  - Bride and Groom's recessional
    - At the drinks reception
  - During the wedding breakfast
    - Getting the party started
